Kelly Fisher Wins 2nd Tour Stop KwiKFire Tour – Rock Hill, South Carolina

Charlotte, NC (October 26th, 2009) – For Immediate Release:

By: Kim Shaw, CBT Promotions, LLC.

The newly titled Kwikfire Tour held its second event at the Silver Dollar Saloon in Rock Hill, South Carolina this past weekend. Many local fans came to watch 29 players compete, including 10 APA players and 6 top WPBA professionals, including Allison Fisher, Kelly Fisher, Kim Shaw, Gerda Hofstatter, Monica Webb, and Line Kjorsvik.

The biggest upset of the tournament was in the first round when Terry Faulk beat Monica Webb hill-hill. Terry said after the match that both she and Monica missed opportunities but she was happy with the way she played throughout the event.

Sunday's matches paired Allison vs. Line and Kelly vs. Kim on the winners side, with Monica vs. Val Finnie and Gerda vs. Lisa Davids on the one-loss side. Allison defeated Line 9-7 and Kelly defeated Kim 9-4, while Monica defeated Val 9-2 and Gerda defeated Lisa 9-4. With six players remaining, Allison and Kelly squared off in an exciting hotseat match with Allison winning 9-7. Kim played solid pool to win decisively over Monica, 9-3, while Gerda and Line played it close, as Line finished strong winning 9-7.

Line continued playing well defeating Kim 9-4; however, she seem to lose some momentum during her match with Kelly and lost 9-2. With Allison and Kelly in the final it was a repeat of the 1st event final.

As always, both players produced the highest quality of play and at 6-7 there was nothing separating them – Allison made a 2-9 combo to make it 7-7. Kelly broke and made an easy 3-9 combo to reach the hill first. Allison played a solid rack to make it hill-hill, but Kelly broke the final rack, and after making the 7 ball on the break, cleared an open table to win the tournament.
